Ninth Session

Objectives

Research:

1. Aims
2. Objectives
3. Questions
4. Hypotheses
5. Significance of the study

Research:

5-Significance of the study (included in the introduction section):

It shows the importance of your study as a researcher for instance:

- to contribute to new knowledge,theories etc
- to change something in the field by uncovering some areas
- who will benefit from the study and its findings:society,firms,schools,teachers etc
- being conducted, the study will prove (confirm, support) or disprove some given information or theses....

N.B.:

- **You can read some joined studies' PDFs that can be fruitful(You will find this lesson and the studies in Moodle, too.)**
 - **This lesson is not programmed for the exam questions.**

Best of Luck 😊
