

# Course on Documentary Research and Designing a Dissertation

# Preamble

---

This course aims to teach how to approach the theme of a final-year project. We begin by giving an overview of documentary research techniques. Next, we look at how to design a dissertation, highlighting the writing standards and steps to complete a PFE. Finally, all the concepts covered in this course will be applied through the dissection of a final-year dissertation.

# Programme

---

- **Chapter 1:** Documentary research
- **Chapter 2:** Designing and writing a dissertation
