

# Active & Passive Voice

## Review

*Simple Present & Simple Past Tenses*

# Directions: Work with a partner.

- On each slide, some words and a verb tense are listed.
- First, make an active voice question and statement (answer) using the words. Put the verb in the tense listed. Check your question by clicking the mouse.
- Next, make a passive voice question and answer using the same words (change the word order & verb form; omit the old subject/agent if it's not needed). Check your answer by clicking the mouse.
